

The rehearsal

iPhone demonstration · January 8, 2007

01 Music

Begin with a song. Let the audience hear it.

02 Phone

Demonstrate a call, then return to the music.

03 Internet

Open the browser. Make page zoom visible.

Invented for this demo. Not a recovered keynote runbook.

Wording, attendance and actions are fictional.

Before we begin

iPhone demonstration · January 8, 2007

04 **Reset**

Scott: reset the test state and walk the keyboard.

05 **Pace**

Leave time for people to see each interaction.

06 **Review**

Walk the transitions together before rehearsal.

Invented for this demo. Not a recovered keynote runbook.

Wording, attendance and actions are fictional.
